.22 RIFLE IN THE GALLERY: This program returns for the fall and winter on the second and fourth Fridays a 6:00. The format is designed around the AR-15 with a .22LR conversion, but any magazine-fed semi-auto works. You'll need 100 rounds and a sling is recommended. We'll be shooting different courses of fire, various positions, barricades, etc. Because the gate is closed on Fridays, contact James Wagner to arrange to enter and for information.

300 KD RANGE: Informal shooting on the third Saturday of the month. Contact Tom Hudson for details and to reserve a time: tom.hudson@tds.net.

PISTOL PROGRAM Call Jim Hawkins at 522-4707 or James Wagner at 971-7240 for information.
ACTION PISTOL: Putting *action* back in the Action Pistol Program. On the third Sundays, beginning at 1:00, we will have skills/practice time, for things like reloads, weak-hand shooting, malfunction clearance, etc. Then, a match that features those skills. Strong side holster required. **No shoulder or cross-draw holsters.** Bring at least 125 rounds for the course of fire. Set-up at 1:00, shooting starts soon after. For information, e-mail: volunteeractionpistol@outlook.com

Nov. 11: Low Light Shoot. Most defensive shootings occur after the sun goes down. This is a chance to try out your equipment, both **pistol and shotgun**. Set-up will start at 5:30, help appreciated. Be at the Pistol Range or at the gate by 6:00. Bring a **handgun**, 75 rounds of ammo, holster (see above) and extra magazines/speedloaders. For the **shotgun**, 5 slugs and 10 rounds of #6 or smaller (that's #6, #7½, #8 or #9), flashlight, either hand-held or weapon mounted flashlight.

Nov. 12 and Dec. 10: Practice and plinking

Nov. 19: Focus on revolver techniques: You'll need a revolver (6-shot revolver with at least a 3" barrel recommended), 100 rounds, strong-side holster, speedloaders.

Dec. 17: Zombie Shoot: Stationary, steel and moving targets. Bring 100 rounds, strong-side holster and extra magazines. At least 20 non-hollow-point or wadcutters, as we will be using some polymer targets that can be damaged by these types of bullets.

NO RIFLE FIRING ON THE PISTOL RANGE. Rifles (any caliber, even .22 LR) may not be fired on the Pistol Range. If you are caught firing a rifle, TWRA will suspend your gate card.

JUNIOR PROGRAMS: Contacts: **Rifle: in need of someone to run the program.**
Shotgun: Doug Bryant: 925-4606, or doug_bryant@tds.net.

HIGH POWER PROGRAM: Next match in the spring. Call Danny Guy, 687-8593 for information.

WEAR YOUR CLUB IDENTIFICATION TWRA officers will be checking to confirm anyone on the range is authorized to be there. If not on your person, you will be escorted off the range. Second offense will lead to a suspension.

If anyone has any questions, comments or items for the newsletter, contact **James Wagner** at 971-7240 or by e-mail: Jwagner@fmsllp.com. Items for the newsletter should be received by the 20th of the month before the bi-monthly period in which it is to appear.
